

June 5, 2009

Dear Christian Academy High School Family,

It is hard to believe that the school year is over. I hope you all enjoy your summer break! Enclosed you will find several important items concerning next year. This packet includes final report cards, summer reading requirements, and a supply list. Transcripts and additional high school information will be sent home soon.

All High School students will be issued a laptop at orientation that will be scheduled for mid August. When shopping for a backpack, please purchase one that is suitable for carrying the laptop.

A very important component of the High School program is community service. Please keep track of all community service hours accumulated over the summer. I have enclosed a Community Service form for your convenience. Please have the sponsor sign the form upon completion of the service. These forms need to be returned at the beginning of the school year. Juniors and Seniors must earn at least 30 community service hours, above and beyond the hours that are sponsored by Christian Academy. The summer is a great time to get a head start.

Please feel free to call me with any questions you may have at any time. My cell number is 843-997-0893. I look forward to seeing each of you in August as we kick off an exciting new year!

Doing It All For Him!

Mrs. Fowler
